

# THE BRIGHTER SIDE!

December 2015

Sunrise Lighting Systems

Carols and candles aglow in the night,  
Hearth fires blazing all cozy and bright,  
Red-leaved poinsettia, white Christmas rose,  
Ice skaters whirling on ice as it snows,  
Sleigh bells and Santas  
Tinsel-trimmed trees,  
Mistletoe magic and warm memories,  
Angels all bringing glad tidings anew,  
Season's best wishes especially for you!

## Inside This Issue:

- A Quick Look at Noribachi
- Why Choose Brownlee?
- Cast Lighting

The holiday season is a time to enjoy the company of our loved ones! That being said, we will be closed on Thursday, December 24th & 25th and then again on January 1st. Everyone here at Sunrise Lighting Systems would like to wish you and yours a Very Merry Christmas and a Happy New Year!

# Noribachi

Noribachi is a leading US-based, premier LED lighting manufacturer for high output commercial and industrial applications. They are dedicated to the principle of efficient and cost-effective energy use through innovative LED technology.

Independently tested and fully certified, Noribachi's LED products have passed the most demanding test of all—customer satisfaction.

*For the second year in a row, Noribachi has been named to the "100 Fastest Growing Private Companies" list, ranking 20th overall. Noribachi is the only LED lighting company and one of only two LA-based manufacturers in Top 20. The award recognizes high revenue growth for Los Angeles area private companies .*

“We are committed to leading our industry in the design, engineering and manufacturing of environmentally friendly, energy-efficient lighting products that enhance the user’s quality of life and are produced in the most cost-effective manner.”

## Why Choose Brownlee?

- Products Made To Your Precise Specifications:**

- The “One Size Fits All” concept doesn’t apply at Brownlee. They offer customers the ability to select the product features they want...then they build the product specifically for them.

- Not Cutting Corners with Materials and Workmanship:**

- For 37 years Brownlee’s reputation of using only the best components along with advanced manufacturing techniques is riding on every product they build. They have proven that it is possible to build high quality products and offer them at exceptionally low prices by not building in problems. After all, the Brownlee family name is on every product that ships. It’s not something that is taken lightly.

- Industry Leadership You Can Trust:**

- The Brownlee name is synonymous with lighting industry leadership and energy efficient lighting products and has earned the trust of 1000’s of valued customers throughout the world over the past 37 years. Brownlee is also an original Energy Star Partner and continues to support energy conservation for the good of everyone.

- Guaranteed Competitive Pricing:**

- “Brownlee is VERY competitive. But we prefer to say we are the BEST VALUE around because there is much more to a Brownlee product than a low price...the peace-of-mind, for example, that we ALWAYS stand behind what we sell. ALWAYS!”

## A Few Custom Products....

# CAST Lighting

CAST Lighting is a premier manufacturer of Low Voltage Landscape Lighting fixtures, transformers, wire and other outdoor lighting system components. David Beausoleil, President of CAST Lighting, is committed to using only the best materials and workmanship; and strives to provide an unmatched level of customer support and training. CAST Lighting offers unmatched value in product quality, service and training.

LED Landscape Lighting - CAST Lighting manufactures both outdoor integrated LED light fixtures and LED modules - both types are replaceable. They are also water-resistant. LED landscape lights need to endure up to 20 years of environment corrosion. CAST Lighting is the only manufacturer that can claim that their LED landscape lighting fixtures outlive the LED's themselves.

With both temporary and permanent applications, the perimeter light has been installed at a major airport, data centers, military bases, hotels, warehouses, and a variety of other security-sensitive properties.

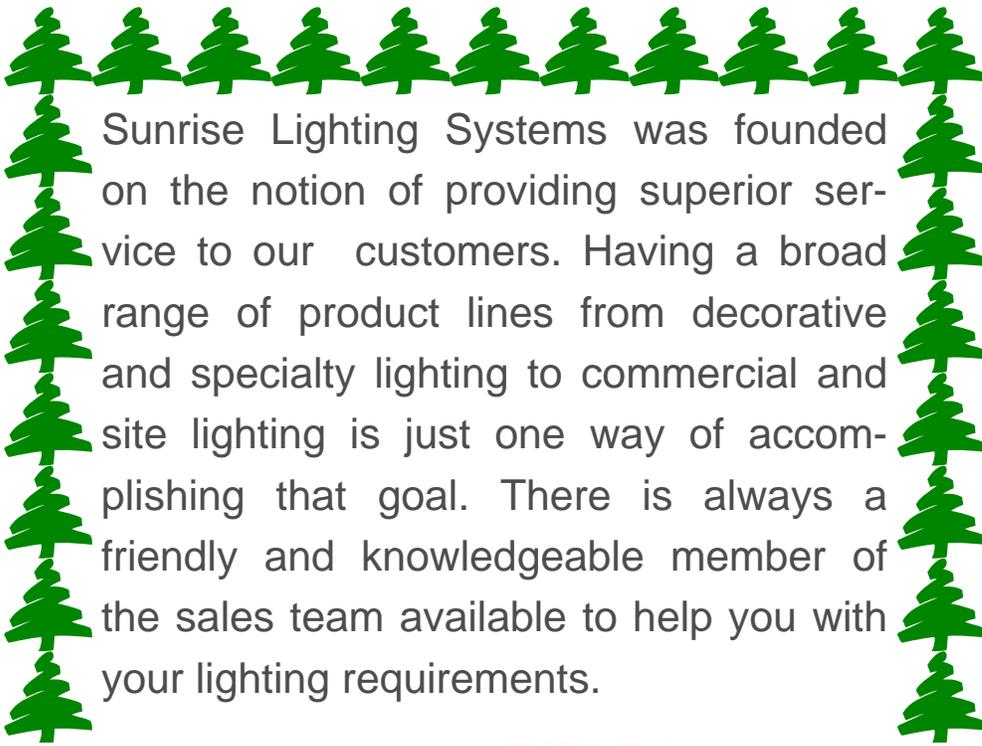

CAST Lighting fixtures are the most rugged, durable and high-performing in the industry. Priced for every project, these solid sand-cast bronze fixtures have exceptional value.

CAST Lighting offers Webinars and Videos to provide relevant and timely learning to the professional installer and designer.
