

THE BRIGHTER SIDE!

Sunrise Lighting Systems, Inc.

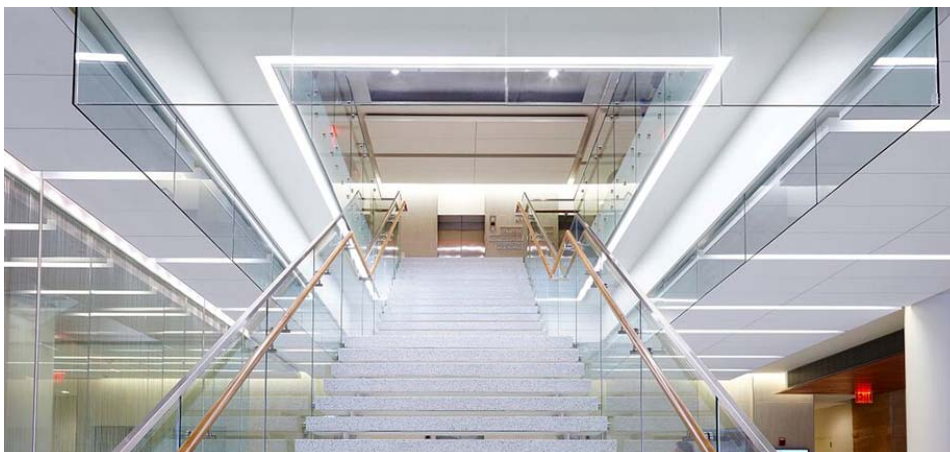

June 2016

Introducing... **coronet**

Coronet manufactures a wide variety of recessed, surface, and pendant mounted luminaires for commercial, industrial, and residential applications. Their product line has increased tremendously over the last few years, and they continue to add to what they can offer.

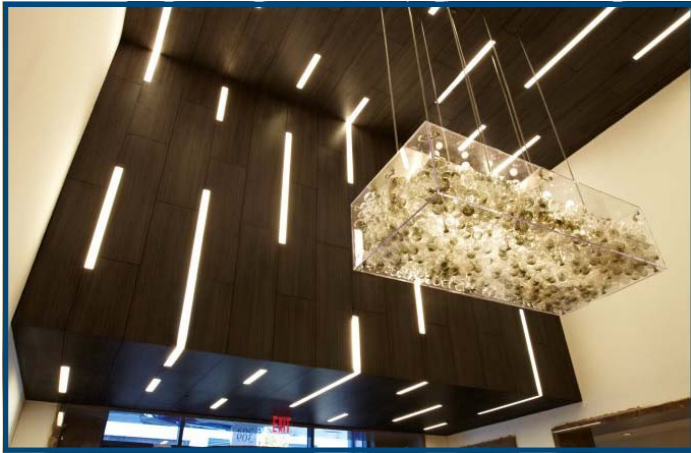

At Coronet, they strive to inform customers of the immense advantages of changing to LED lighting. Lower electric bills and less frequent maintenance are key. They use LED modules high in efficacy in all of their LED luminaires for optimum light and efficiency.

“Coronet continues to grow and exceed expectations in producing high-end architectural luminaires quickly and efficiently.”
