BRUCK.

BRUCK.

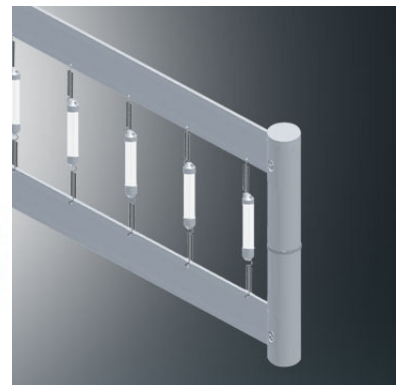

BRUCK

Bruck Lighting, located in Tustin, CA, is an innovative manufacturer with a beautiful array of high-quality fixtures. They lead the industry with a highly efficient product that has both state-of-the-art design and aesthetics.

Bruck's product line includes innovative track lighting (examples: Flex Line above & Flight Series below) and modern spot fixtures. They also offer sleek wall display lighting, elegant pendant fixtures and a wide variety of wall sconces. They offer such a wide variety of products, they are perfect for any architectural design.

Bruck uses the latest lighting advancements, along with the principle of providing energy efficient lighting, as they continue to create new products. Bruck is sure to bring style and ambiance to any project.

YOUR THOUGHTS AND INPUT

So many options and choices! Need more information? Look no further than your Sunrise Rep. The answers you are looking for may be nothing more than a phone call or e-mail away.

Your questions may be things that are on the minds of others as well and could be a subject in our new weekly newsletter. So, if you have a topic or product that you would like to see more information on, please send the request to Janna and we will be sure to include it in a future issue.

Thank you!
