“Wednesday, July 15, 2009, Millerbernd Lighting announces their 20-year warranty on the stainless steel housings for their complete line of quality lighting fixtures and custom lighting solutions. The industry-best warranty reflects the high quality of design, engineering, manufacturing that is employed by Millerbernd Lighting in every fixture.”

MILLERBERND

LIGHTING

For over 75 years, Millerbernd has been a leader in the manufacturing and design of custom stainless steel products, making the most intricate and demanding stainless steel lighting fixtures possible. Their specialty is providing lighting solutions for unique environments that require metal fixtures. Be it one single fixture, or 250, they can cost-effectively build customer fixtures to illuminate a 100,000 sq ft. facility.

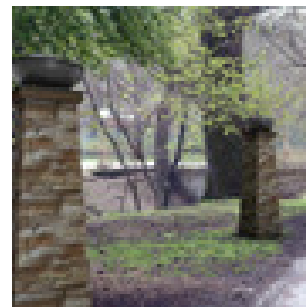

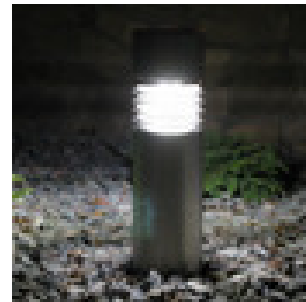

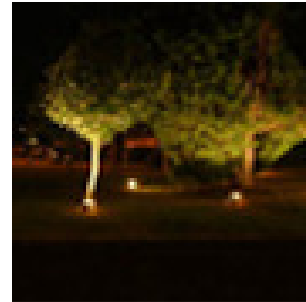

Understanding that each market and industry is required to comply with specific regulations, Millerbernd abides by the ISO 9001 regulations, including comprehensive testing, so that you can be confident in their quality and craftsmanship. Whether you're an architect, lighting engineer, designer or contractor, Millerbernd is here for you!

Markets Served by Millerbernd:

- Architectural
- Cold Storage
- Food & Beverage
- Industrial
- Marine
- Lighted Signs
- Transportation

MADE IN AMERICA

“Millerbernd Lighting is proud to be 100% made-in-America quality craftsmanship. All of our custom fixtures have been designed and built using parts made right here at home. More than quality—it is a statement of value.”

YOUR THOUGHTS AND INPUT

So many options and choices! Need more information? Look no further than your Sunrise Rep. The answers you are looking for may be nothing more than a phone call or e-mail away.

Your questions may be the things that are on the minds of others as well and could be a subject in our newsletter. So, if you have a topic or product that you would like to see more information on, please send the request to Janna and we will be sure to include it in a future issue.

Thank you!
